(c) (i) Any (TAC) is constituted for two years.

(ii) There was no TAC of Madhubani Telecom district during 2004-05.

(iii) The existing Madhubani TAC was formed *vide* Department of Telecommunications Memo No. 8-351/2004-PHP dated 18.01.2006 with a tenure up to 31.01.2008.

(iv) The number of TAC members of existing Madhubani TAC is more than twenty.

Spectrum allocation and its **surveillance**

1801. SHRI A. VIJAYARAGHAVAN: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether there is sharp increase in the subscribers base of mobile telephone;

(b) if so, the details including the number of subscribers for the last five years and revenue from mobile services year-wise, State-wise and category-wise;

(c) if so, whether there is any scarcity of wireless spectrum;

(d) if so, the details of consistent policy, if any, for allocating spectrum; and

(e) if so, the step taken in detail, if any, to implement the report of Telecom Regulatory authority of India spectrum allocation and its surveillance as on today?

THE MFNISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEELAHMAD): (a) Yes, Sir. The subscriber
base of mobile telephone has been increased from 13.29 million as on 31.03.2003 to 217.13
million as on 31.10.2007. - .

(b) The details of the number of subscribers for the last five years, State/Circle-wise are given in Statement-I *{See* below). The revpnue of telecom sector for the last five years and year-wise. State-wise revenue from mobile services for the last three years are given in Statement-II (See below).

(c) to (e) The Radio frequency spectrum is a natural, limited and scarce resource. The initial spectrum for mobile services is allotted subject to its availability in the service area, in accordance with the relevant provisions of their respective Service License Agreement. With the growth of service and increased subscriber base, additional spectrum is also earmarked subject to its availability as per the subscriber based criteria and justification. In order to ensure optimal and efficient use of allotted spectrum, necessary criteria for allotment of additional spectrum, beyond the initial allotment, have been worked out, keeping in view various aspects, including demographic features of the respective service areas as well as recommendations of Telecom Regulatory Authority of India (TRAI) etc. in this regard.
